DVD

T

2005

Concepts of Advanced Algebra - Grades 9-12. Meet people who have "beaten the odds" in life, and learn how mathematical equations can predict outcomes.

Dreambuilder Movie - Elevator

015956,DV

DVD

T

2001

Charles Baxter is a high powered attorney defending the ambitions of a developer against the interest of housing project residents. Viewers are forced to question their own point of view.

HAPP-3 Hodson Assessment of Phonological Patterns

015972,TE

Test

T

2004

Pro-Ed

Use the HAPP-3 to assess your youngsters with highly-unintelligible speech. You'll identify phonological deviations and major phonological patterns and determine severity intervals/ratings along a continuum.
